

GOAL	FOCUS PHRASE
search for and use meaning to support word solving	I think about the picture and get my mouth ready for the first sound.
reading with phrasing	As I read, I group words that go together.
attending to elements of fiction	When I read fiction, I pay attention to the characters, setting, and plot.
visualizing text	I make a movie in my mind as I read.
correcting overuse of uppercase letters	I use capitals only when I need them.
predicting	When I read, I think about the text and what will come next.
writing known words fluently	I write words I know by heart quickly and neatly.
self-monitoring for meaning in writing	I reread my work and listen closely to make sure what I wrote makes sense.
